

# VOTE COUNT RESULTS!

## The results are in!

This morning, June 1st, the Labour Board counted the unchallenged ballots from our vote and people voting for the THEU-CSN have won the vote by a count of 294-281.

There are 113 remaining ballots that have been challenged and are outstanding.

Hearings on the challenged ballots are scheduled to begin Monday, June 6th, but are likely to be rescheduled for later as all parties will need to exchange information and documents prior to the hearings beginning.

We expect the hearings to begin shortly.

**We are confident that once the challenges are dealt with, our victory will be secured!**

***Change is coming!***
